

Mission St Pete- \$100 mission trip

July 25th - 30th

Join us in St Pete this summer for a week long of loving God and serving others. The projects are geared for teenagers ages 12-18 as we will be doing physical labor such as painting and yard work, children's ministry, homeless ministry, and much more. Included in your costs are all meals from dinner Sunday night through lunch on Friday. It also includes a t-shirt and a devotion book. We will be staying on the floor of a church so be sure to bring bedding (oh yeah, it's not air conditioned). Showers are at a separate site. We will be having a worship service every night. Friday we will host a community block party inviting the homeless and those that we have ministered to and met throughout the week. There are lots of things to do around St Pete if you would like to stay an extra day such as Busch Gardens, the Rays play the Yankees Friday and Saturday, and we do have some of the best oil-free beaches and most beautiful sunsets in the world. If you have any questions, call Lamar Courtney 727-546-0990. Please send applications to:
