

**CENTRAL FLORIDA DISTRICT
NAZARENE YOUTH INTERNATIONAL
REPORT OF THE TEEN QUIZ MINISTRY**

The 2009-2010 quiz year was an exciting one! Over 100 quizzers from 12 different churches around the district met on a monthly basis to study and compete on the books I and II Corinthians. Thanks to all of our host churches: Rockledge, St. Pete Victory, Zephyrhills, Highland Park, Center Pointe, and Apopka.

Competition was strong, it was evident that these many young people were delving into God's Word and committing it to memory. They are indeed an awesome group. Collectively this group of young people recited 259 memory verses!

At Regional competition at TNT at TNU, your district was well represented by - Jonathan Kessie (St Pete Victory), Aniesa Leib (Rockledge), Rebecca White (Rockledge), Alicyn Williams (Clermont) and Nate Williams (Clermont) as the "A" League team. The team placed 2nd overall with Alicyn placing as the number one quizzers on the Southeast Region. Your "B" League team quizzers were - Seth Heard (Apopka), Ethan Heard (Apopka), Lydia Hutchison (St Pete Victory) and Kim Dang (Colonial). Lydia was the number one quizzers for the Southeast Region in her division. Jonathan, Nate, Alicyn and Lydia earned spots on the Top 24 competition. Lydia was first and Alicyn second at the end of that marathon, which means they will represent the Southeast Region at Q2010 this summer.

While other districts spoke of losing churches from their ministry and being unable to form teams to compete, Central Florida was blessed with a strong quiz program this year. Four new churches joined our family and stayed strong until the end. Metro West brought three full teams to every competition!

Thanks to everyone who helps to make this ministry a vital one for the wonderful quizzing students of Central Florida!
