

## FAIR SHARE VERIFICATION FORM

The District Advisory Board is asking each pastor and church treasurer to complete this form and return it with the pastor's report materials

### From the 2009 District Assembly Finance Committee Report...

20. The 10% Fair Share Plan is based on God's statute, "*When you receive ... the tithe I give you... you must present a tenth of that tithe as the Lord's offering.*" (Num. 18:26) . . .

a) The Fair Share Plan shall be calculated according to the following formula:

The local church's weekly Fair Share shall be 10% of the weekly tithes and offerings. "Tithes and offerings" are defined to be local receipts less amounts designated for building fund, World Evangelism Fund, and as pass-through monies. For those churches that satisfy the Fair Share as defined above, 10% of that total amount will be forwarded from the district to the General Treasurer to be credited toward that church's World Evangelism Fund for the current fiscal year.

f) Each local church that makes a Fair Share contribution as described in paragraph 20(a) above will be considered to have met their Fair Share in full.

### We hereby verify the following:
